

# VI International Eastern Europe and Central Asia AIDS Conference

(EECAAC 2018)

## CONFERENCE PROGRAMME

**DRAFT\***

\* This version of the Conference program is not final and subject to changes

7:30–17:00	<b>Registration</b>				
9:00–11:30	<b>Opening Ceremony, Conference Halls 1, 2, 3</b>				
11.30-12.00	<b>Break/Exhibition Opening /Media Scrum</b>				
12:00–14:00	<b>Plenary Session. Conference Halls 1, 2, 3</b>				
14:00–15:30	<b>Break/Discussion Platforms Opening</b>				
	<b>Conference Hall 1</b>	<b>Conference Hall 2</b>	<b>Conference Hall 3</b>	<b>Amphitheater</b>	<b>Press Hall</b>
15:30–17:00	Parallel Session 1 <b>HIV Epidemic in Eastern Europe and Central Asia: Regional Trends and Challenges</b> <i>Science and Medicine</i>	Parallel Session 2 <b>HIV Treatment in Eastern Europe and Central Asia</b> <i>Science and Medicine</i>	Parallel Session 3 <b>HIV Prevention in Eastern Europe and Central Asia</b> <i>Effective Prevention</i>	Parallel Session 4 <b>Success of NGOs in Eastern Europe and Central Asia at the Government Level</b> <i>Civil Society</i>	Parallel Session 5 <b>Russian Technical Assistance Programme for Eastern Europe and Central Asia: Results and Review</b> <i>International Development Assistance</i>
17:00–17:30	<b>Break/Discussion Platforms</b>				
17:30–19:00	Parallel Session 6 <b>Biobehavioral Studies Among Key Populations</b> <i>Science and Medicine</i>	Parallel Session 7 <b>HIV and Viral Hepatitis</b> <i>Science and Medicine</i>	Parallel Session 8 <b>HIV Prevention Among Key Populations</b> <i>Effective Prevention</i>	Parallel Session 9 <b>Effective Strategies to Reduce HIV Transmission Among Sex Workers</b> <i>Civil Society</i>	Parallel Session 10 <b>Is it Possible to Ensure the Sustainability of International Development Projects ?</b> <i>International Development Assistance</i>
09:00-19:00	<b>Commercial and Non-commercial Exhibition</b>				

08:00-14:00	<b>Registration</b>			
09:00-10:30	<b>Plenary Session. Conference Halls 1, 2, 3</b>			
10:30-11:00	<b>Break/Discussion Platforms Opening</b>			
	<b>Conference Hall 1</b>	<b>Conference Hall 2</b>	<b>Conference Hall 3</b>	<b>Press Hall</b>
11:00-12:30	Parallel Session 11 <b>HIV/AIDS Epidemiological Surveillance</b> <i>Science and Medicine</i>	Parallel Session 12 <b>HIV Treatment: approaches and recommendations</b> <i>Science and Medicine</i>	Parallel Session 13 <b>The Role of the Communities in Improving Access to Diagnosis and Treatment of Comorbidities</b> <i>Civil Society</i>	Parallel Session 14 <b>HIV Infection in Children and Adolescents</b> <i>Science and Medicine</i>
12:30-13:00	<b>Break</b>			
13:00-14:30	Parallel Session 16 <b>Molecular Epidemiological Monitoring of HIV</b> <i>Science and Medicine</i>	Parallel Session 17 <b>Age-related and Gender Aspects of HIV Infection</b> <i>Science and Medicine</i>	Parallel Session 18 <b>Access to HIV Treatment</b> <i>Civil Society</i>	Parallel Session 19 <b>Workplace Interventions to Prevent HIV</b> <i>Effective Prevention</i>
14:30-15:30	<b>Break/Discussion Platforms</b>			
15:30-17:00	Parallel Session 21 <b>The Laboratory Diagnosis of HIV and Comorbidities – Recent Advances</b> <i>Science and Medicine</i>	Parallel Session 22 <b>HIV infection and Somatic Pathology</b> <i>Science and Medicine</i>	Parallel Session 23 <b>Enhancing Adherence to HIV Treatment</b> <i>Science and Medicine</i>	Parallel Session 24 <b>HIV Prevention in the Light of Modern Migration Patterns</b> <i>Effective Prevention</i>
17:00-17:30	<b>Break</b>			
17:30-19:00	Parallel Session 26 <b>HIV and Tuberculosis</b> <i>Science and Medicine</i>	Parallel Session 27 <b>HIV Treatment Today</b> <i>Science and Medicine</i>	Parallel Session 28 <b>Retention in Treatment and Enhancement of Treatment Adherence</b> <i>Civil Society</i>	Parallel Session 29 <b>The Need to Upgrade Skills of Health Care Professionals Providing HIV Care</b> <i>Effective Prevention</i>
09:00-19:00	<b>Commercial and Non-commercial Exhibition</b>			

Special Events Programme			
	Amphitheater	Open Discussion Space	
	<b>Symposia Session</b> <b>Substance Use, HIV infection and Assistance for People Using Drugs</b>	<b>Special Program of EECAAC 2018</b> <b>HIV: Children, Adolescents and Youth</b>	
11:00–12:30	<b>Part 1:</b> <b>Substance Use and Support for HIV-positive People Using Drugs</b> <i>Science and Medicine</i>	Parallel Session 14 (Press Hall) <b>HIV Infection in Children and Adolescents</b> <i>Science and Medicine</i>	Parallel Session 15 <b>From an HIV-positive Adolescent to an Active Young Person</b> <i>Civil Society</i>
12:30–13:00	Break/Discussion Platforms		
13:00–14:30	<b>Part 2:</b> <b>Modern Approaches to Keeping HIV-positive People Using Drugs in Health Care</b> <i>Science and Medicine</i>	Parallel Session 20 <b>HIV Prevention Among Adolescents and Youth (Part 1)</b> <i>Effective Prevention</i>	
14:30–15:30	Break/Discussion Platforms		
15:30–17:00	<b>Part 3:</b> <b>Effective Strategies to Prevent HIV Spread Among IDUs</b> <i>Civil Society</i>	Parallel Session 25 <b>HIV Prevention Among Adolescents and Youth (Part 2)</b> <i>Effective Prevention</i>	
17:00–17:30	Break/Discussion Platforms		
17:30–19:00	<b>Part 4:</b> <b>Overcoming Legal Barriers as Measure of Controlling HIV</b> <i>Civil Society</i>	Parallel Session 30 <b>Best Practices in HIV Prevention Among Adolescents and Youth: Russian Experience</b> <i>Effective Prevention</i>	
09:00-19:00	Commercial and Non-commercial Exhibition		

08:00-14:00	Registration				
09:00-10:30	Plenary Session. Conference Halls 1, 2, 3				
10:30-11:00	Break				
	Conference Hall 1	Conference Hall 2	Conference Hall 3	Amphitheater	Press Hall
11:00-12:30	Parallel Session 31 <b>The role of Religious Confessions in HIV Prevention</b> <i>Effective Prevention</i>	Parallel Session 32 <b>Socioeconomic Aspects of HIV Treatment and Prevention</b> <i>Science and Medicine</i>	Parallel Session 33 <b>Women and HIV</b> <i>Civil Society</i>	Parallel Session 34 <b>Achieving balance between public health interests and protection of intellectual property: experience and prospects</b> <i>(with the Federal Antimonopoly Service)</i>	Parallel Session 35 <b>The Role of Communities in HIV Prevention and Treatment Among MSM</b> <i>Civil Society</i>
12:30-13:00	Break/Discussion Platforms				
13:00-14:30	Parallel Session 36 <b>Highly Effective HIV Prevention</b> <i>Effective Prevention</i>	Special Session 37 <b>Modern Approaches to HIV Testing</b> <i>Science and Medicine</i>	Parallel Session 38 <b>Women and Children: HIV-related Programmes</b> <i>Science and Medicine</i>	Parallel Session 39 <b>Intellectual Property and Registration Law</b> <i>Special Session</i>	Parallel Session 40 <b>Fast track HIV/TB Responses in Healthy Cities</b> <i>International Development Assistance</i>
14:30-15:30	Break/Discussion Platforms				
15:30-17:00	Parallel Session 41 <b>HIV Prevention for All: New Technologies and Approaches</b> <i>Effective Prevention</i>	Parallel Session 42 <b>Comprehensive Approach to the "Treatment for All"</b> <i>Science and Medicine</i>	Parallel Session 43 <b>Prevention of Perinatal HIV Transmission and Future Prospects to Achieve the Elimination of Vertical Transmission</b> <i>Science and Medicine</i>	Parallel Session 44 <b>Fundamental and Biomedical Research</b> <i>Science and Medicine</i>	Parallel Session 45 <b>Innovative Financing, Management and Implementation to Promote International Development Assistance</b> <i>International Development Assistance</i>
17:00-17:30	Break				
17:30-19:00	Conference Closing Ceremony				

# CONFERENCE PROGRAMME

## Science and Medicine Track

Session	Session Number	Day	Page Number
<b>Epidemiology and Epidemiological Surveillance</b>			
HIV Epidemic in Eastern Europe and Central Asia: Regional Trends and Challenges	№ 1	1	10
HIV/AIDS Epidemiological Surveillance	№ 11	2	11
Molecular Epidemiological Monitoring of HIV	№ 16	2	12
Modern Approaches to HIV Testing	№ 37	3	13
<b>Treatment</b>			
HIV Treatment in Eastern Europe and Central Asia	№ 2	1	14
HIV Treatment: Approaches and Recommendations	№ 12	2	15
HIV Treatment Today	№ 27	2	16
Comprehensive Approach to the "Treatment for All"	№ 42	3	17
Enhancing Adherence to HIV Treatment	№ 23	2	18
Women and Children: HIV-related Programmes	№ 38	3	19
Age-related and Gender Aspects of HIV Infection	№ 17	2	20
HIV infection and Somatic Pathology	№ 22	2	21
HIV and Viral Hepatitis	№ 7	1	22
HIV and Tuberculosis	№ 26	2	23
The Laboratory Diagnosis of HIV and Comorbidities – Recent Advances	№ 21	2	24
<b>Prevention</b>			
Prevention of Perinatal HIV Transmission and Future Prospects to Achieve the Elimination of Vertical Transmission	№ 43	3	25
<b>Research</b>			
Biobehavioral Studies Among Key Populations	№ 6	1	26
Socioeconomic Aspects of HIV Treatment and Prevention	№ 32	3	27
Fundamental and Biomedical Research	№ 44	3	28
<b>Side Events</b>			
Further Training of Health Workers on HIV Issues	Round Table	1	29
Issues of TB Care for HIV-positive Patients	Round Table	2	30-31
Quality Assurance for HIV Testing Conducted in Laboratories	Round Table	2	32

## Special Events Programme

### Symposia Session

#### Substance Use, HIV infection and Assistance for People Using Drugs

Substance Use and Support for HIV-positive People Using Drugs	Part 1	2	33
Modern Approaches to Keeping HIV-positive People Using Drugs in Healthcare	Part 2	2	34
Effective Strategies to Prevent HIV Spread Among IDUs	Part 3	2	35
Overcoming Legal Barriers as Measure of Controlling HIV	Part 4	2	36

#### Special Program of EECAAC 2018 HIV: Children, Adolescents and Youth

HIV Infection in Children and Adolescents	№ 14	2	37
From an HIV-positive Adolescent to an Active Young Person	№ 15	2	38
HIV Prevention Among Adolescents and Youth (Part 1)	№ 20	2	39
HIV Prevention Among Adolescents and Youth (Part 2)	№ 25	2	40
Best Practices in HIV Prevention Among Adolescents and Youth: Russian Experience	№ 30	2	41

#### Joint sessions of the International Working Group on Research on Competition in the Pharmaceutical Sector

Achieving Balance between Public Health Interests and Protection of Intellectual Property: Experience And Prospects	№ 34	3	42
Intellectual Property and Registration Law	№ 39	3	43

## Effective Prevention Track

HIV Prevention in Eastern Europe and Central Asia	№ 3	1	44
HIV Prevention Among Key Populations	№ 8	1	45
HIV Prevention in the Light of Modern Migration Patterns	№ 19	2	46
Workplace Interventions to Prevent HIV	№ 24	2	47
The Need to Upgrade Skills of Health Care Professionals Providing HIV Care	№ 29	2	48
The Role of Religious Confessions in HIV Prevention	№ 31	3	49
Highly Effective HIV Prevention	№ 36	3	50
HIV Prevention: The Use of New Technologies and Approaches	№ 41	3	51

### Side Events

Experience of Religious Organizations in HIV Prevention	Workshop		52
---	----------	--	----

## International Development Assistance Track

<b>Russian Technical Assistance Programme for Eastern Europe and Central Asia: Results and Review</b>	№ 5	1	53
<b>Is It Possible to Ensure the Sustainability of International Development Projects?</b>	№ 10	1	54
<b>Fast-Track HIV/TB Responses in Healthy Cities</b>	№ 40	3	55
<b>Innovative Financing, Management and Implementation to Promote International Development Assistance</b>	№ 45	3	56
<b>Side Events</b>			
<b>Improving the Efficiency of Budget Spending for HIV Response</b>	Round Table	3	57

## Civil Society Track

<b>Success of NGOs at the Government Level</b>	№ 4	1	58
<b>Effective Strategies to Reduce HIV Transmission Among Sex Workers</b>	№ 9	1	59
<b>Access to HIV Treatment</b>	№ 13	2	60
<b>The Role of Community in Increasing Access to Diagnosis and Treatment of Comorbidities</b>	№ 18	2	61
<b>Retention in Treatment and Enhancement of Treatment Adherence</b>	№ 28	2	62
<b>The Role of Communities in HIV Prevention and Treatment Among MSM</b>	№ 33	3	63
<b>Women and HIV</b>	№ 35	3	64
<b>Side Events</b>			
<b>Improving Access to Modern Treatments for Viral Hepatitis: Experience and Perspectives. International Civil Society View</b>	Part 1, 2	1	65
<b>HIV/AIDS Denialism</b>	Seminar	1	66
<b>Increasing and Strengthening NGO Potential</b>		3	67
<b>The Role of Community in Rapid Testing (HIV, Viral Hepatitis and TB)</b>		3	68
<b>Overcoming Barriers to Treatment and Follow-Up Care for Migrants and Homeless People</b>	Part 1, 2	3	69
<b>Transgender People and HIV-infection</b>		3	70-71

## Science and Medicine Track

### Epidemiology and Epidemiological Surveillance

<b>Parallel Session 1: HIV Epidemic in Eastern Europe and Central Asia: Regional Trends and Challenges</b>		
<b>Co-Chairs:</b>		
1.	<b>Pokrovsky Vadim</b> , Head of the Federal Scientific and Methodological Center for AIDS Prevention and Control, <b>Russia</b>	
2.	<b>Glinskaya Irina</b> , Deputy Chief Physician on Epidemiology, Republican Center of Hygiene, Public Health Epidemiology, <b>Belarus</b>	
3.	WHO/UNAIDS Expert	
	<b>Presentations</b>	<b>Speakers</b>
1.	HIV Infection in Eastern Europe and Central Asia – Review	<b>Sabin Keith</b> , Senior Advisor, Strategic Information and Monitoring, UNAIDS, <b>Switzerland</b>
2.	HIV Epidemic in the WHO European Region	WHO Expert
3.	HIV Epidemic in the Balkans and Turkey	<b>Gökengin Deniz</b> , Research Associate, Department of Infectious Diseases and Clinical Microbiology, Faculty of Medicine, Ege University, <b>Turkey</b>
4.	HIV Epidemic in Uzbekistan	<b>Atabekov Nurmat</b> , Head, Republican AIDS Center, <b>Uzbekistan</b>
5.	HIV Epidemic in Kazakhstan	<b>Petrenko Irina</b> , Deputy Director General, Republican AIDS Center, <b>Kazakhstan</b>

## Parallel Session 11: HIV/AIDS Epidemiological Surveillance

### Co-Chairs:

1. **Baiserkin Baurzhan**, Director, Republican AIDS Center, **Kazakhstan**
2. **Amato-Gauci Andrew**, Head of HIV, Sexually Transmitted Infections and Viral Hepatitis Programme, European Centre for Disease Prevention and Control, **Sweden**
3. **Ladnaya Natalia**, Senior Researcher, Federal Scientific and Methodological Center for AIDS Prevention and Control, **Russia**

	<b>Presentations</b>	<b>Speakers</b>
1.	New trends in HIV epidemiological surveillance	<b>Amato-Gauci Andrew</b> , Head of HIV, Sexually Transmitted Infections and Viral Hepatitis Programme, European Centre for Disease Prevention and Control, <b>Sweden</b>
2.	Contemporary methods of evaluation and prediction of HIV	<b>Sabin Keith</b> , Senior Advisor, Strategic Information and Monitoring, UNAIDS, <b>Switzerland</b>
4.	The Importance of Investing in Data Collection to Guide the Response	<b>Van Sighem Ard</b> , Senior researcher at HIV Monitoring Foundation, <b>Netherlands</b>
5.	Monitoring and Evaluation of HIV in the Republic of Belarus	<b>Glinskaya Irina</b> , Deputy Chief Physician on Epidemiology, Republican Centre of Hygiene, Epidemiology and Public Health, <b>Belarus</b>

## Parallel Session 16: **Molecular Epidemiological Monitoring of HIV**

### Co-Chairs:

1.	<b>Bobkova Marina</b> , Head, Department of General Virology, Gamaleya National Research Center for Epidemiology and Microbiology, <b>Russia</b>	
2.	<b>Yeremin Vladimir</b> , Head, Laboratory for Diagnosis of HIV and Associated Infections, Republican Scientific and Practical Center for Epidemiology and Microbiology, <b>Belarus</b>	
3.	<b>Sönnerborg Anders</b> , Professor, Senior Consultant, Karolinska Institutet, Karolinska University Hospital, <b>Sweden</b>	
	<b>Presentations</b>	<b>Speakers</b>
1.	Prevalence of HIV Types in the EECA Region	<b>Bobkova Marina</b> , Head, Department of General Virology, Gamaleya National Research Center for Epidemiology and Microbiology, <b>Russia</b>
2.	Molecular Epidemiology of HIV in Belarus	<b>Yeremin Vladimir</b> , Head, Laboratory for Diagnosis of HIV and Associated Infections, Republican Scientific and Practical Center for Epidemiology and Microbiology, <b>Belarus</b>
3.	Characteristics of Circulating HIV Types in Uzbekistan	<b>Kazakova Evgeniya</b> , Researcher, Virology Research Institute, <b>Uzbekistan</b>
4.	Molecular Epidemiological Analysis of HIV-1 Variants Circulating in Tajikistan	<b>Gashnikova Natalia</b> , Head, Department of Retroviruses, Vector State Research Center of Virology and Biotechnology, <b>Russia</b>
5.		

**Parallel Session 37: Modern Approaches to HIV Testing**

**Co-Chairs:**

1. **Grigoryan Samvel**, Head, Republican AIDS Center, **Armenia**
2. **Čaplinskas Saulius**, Head, Center for Infectious Diseases and AIDS, **Lithuania**
3. **Baggaley Rachel**, Coordinator of HIV Testing and Prevention, WHO, **Switzerland**

	<b>Presentations</b>	<b>Speakers</b>
1.	Overview of Modern Rapid Testing Practices, Including Self-Testing	<b>Baggaley Rachel</b> , Coordinator of HIV Testing and Prevention, WHO, <b>Switzerland</b>
2.	Acute Problems of HIV Testing	<b>Čaplinskas Saulius</b> , Head, Center for Infectious Diseases and AIDS, <b>Lithuania</b>
3.	Voluntary HIV Testing and Counseling in Azerbaijan	<b>Rzaeva Adelya</b> , Head of the Department, Republican AIDS Center, <b>Azerbaijan</b>
4.	Introduction of HIV Rapid Testing Among Vulnerable Groups – Results and Findings	<b>Tazhibaeva Galiya</b> , Head, Diagnostic Laboratory at the Republican AIDS Center, <b>Kazakhstan</b>
5.	HIV Testing as Part of a Comprehensive Approach to Reduce HIV Infections	<b>Vinogradova Tatiana</b> , Deputy Chief Physician, St. Petersburg AIDS Center, <b>Russia</b>

## Treatment

### Parallel Session 2: HIV Treatment in Eastern Europe and Central Asia

#### Co-Chairs:

1.	<b>Kamkin Evgeny</b> , Director, Department for Medical Care and Therapeutic Resorts, Ministry of Health, <b>Russia</b>	
2.	<b>Vella Stefano</b> , Head, Department of Therapeutic Research and Evaluation, National Institute of Health (ISS), <b>Italy</b>	
3.	EECA Expert	
	<b>Presentations</b>	<b>Speakers</b>
1.	Health Care for People with HIV in Eastern and Central Europe	<b>Kowalska Justyna</b> , Senior Lecturer, Department of Adults Infectious Diseases, Medical University of Warsaw, <b>Poland</b>
2.	Future Prospects to Achieve "90-90-90" Targets in Armenia, "Cascade of Treatment" Analysis	<b>Asmaryan Arhsak</b> , Head, Department of Medical Care and Services, Republican AIDS Center, <b>Armenia</b>
3.	Health Care for PLWH in Tajikistan	<b>Nurlyaminova Zukhra</b> , Head, Dispensary Department, Republican AIDS Center, <b>Tajikistan</b>
4.	Results of Early Initiation of ART in Kazakhstan	<b>Kasymbekova Sairankul</b> , Head, Clinical Monitoring Department, Republican AIDS Center, <b>Kazakhstan</b>
5.	Gender Differences in Cascade of Care Among People Living with HIV in 7 Countries in Eastern Europe and Central Asia	<b>Pokrovskaya Anastasia</b> , Portrait of a Patient in the EECA Region International Working Group

## Parallel Session 12: **HIV Treatment: Approaches and Recommendations**

### Co-Chairs:

1. **Doherty Meg**, Coordinator of Treatment and Care, Department of HIV/AIDS at the World Health Organization (WHO), **Switzerland**
2. **Horban Andrzej**, Medical Director, Hospital for Infectious Diseases, Warsaw, **Poland**
3. **Yurin Oleg**, Deputy Director, Federal Scientific and Methodological Center for AIDS Prevention and Control, **Russia**
4. **Lewin Sharon**, Director, Peter Doherty Institute for Infection and Immunity, **Australia**

	<b>Presentations</b>	<b>Speakers</b>
1.	Contemporary WHO Guidelines on Antiretrovirals	<b>Doherty Meg</b> , Coordinator of Treatment and Care, Department of HIV/AIDS at the World Health Organization (WHO), <b>Switzerland</b>
2.	European AIDS Clinical Society (EACS) Recommendations on HIV Treatment	<b>Horban Andrzej</b> , Medical Director, Hospital for Infectious Diseases, Warsaw, <b>Poland</b>
3.	Topic TBD	<b>Lewin Sharon</b> , Director, Peter Doherty Institute for Infection and Immunity, <b>Australia</b>
4.	Approaches to HIV Treatment in the Russian Federation	<b>Yurin Oleg</b> , Deputy Director, Federal Scientific and Methodological Center for AIDS Prevention and Control, <b>Russia</b>
5.	HIV Drug Resistance, a Threat to Reaching 90-90-90	<b>Rinke de Wit Tobias</b> , Director of Research, Joep Lange Institute, <b>Netherlands</b>

## Parallel Session 27: **HIV Treatment Today**

### Co-Chairs:

1. **Gulshina Valeriya**, Head, Bureau of Organization of Medical Care for Socially Significant Infectious Diseases, Department for Medical Care and Therapeutic Resorts, Ministry of Health, **Russia**
2. **Mustafaeva Dildora**, Deputy Director for Medical Issues, Republican AIDS Center, **Uzbekistan**
3. **Leibowitch Jacques**, Assistant-Professor Emeritus, Raymond-Poincaré University Hospital, **France**

	<b>Presentations</b>	<b>Speakers</b>
1.	Evolution of ARVT: Changing Priorities in HIV Treatment	<b>Sizova Natalia</b> , Head, Department of Infectious Diseases, St. Petersburg AIDS Center, <b>Russia</b>
2.	Antiretroviral Treatment Failure: Reasons, Consequences, and Solutions	<b>Steinhart Corklin</b> , Head, Global Medical Directors, ViiV Healthcare
3.	Possibilities for interruption of HAART in patients with sustained HIV suppression	<b>Leibowitch Jacques</b> , Assistant-Professor Emeritus, Raymond-Poincaré University Hospital, <b>France</b>
3.	Place of Integrase Inhibitors in HIV Treatment Regimens	<b>Shakhgildyan Vassiliy</b> , Research Officer, Federal Scientific and Methodological Center for AIDS Prevention and Control, <b>Russia</b>
5.	Development and Introduction of New Domestic Drugs to Treat HIV and Viral Hepatitis C	<b>Kravchenko Alexey</b> , Leading Researcher, Federal Research Centre for AIDS Prevention and Treatment, <b>Russia</b>

**Parallel Session 42: Comprehensive Approach to the “Treatment for All”**

**Co-Chairs:**

1. **Yurin Oleg**, Deputy Director, Federal Scientific and Methodological Center for AIDS Prevention and Control, **Russia**
2. **Yazdan Yazdapanah**, Professor of Infectious Disease, Bichat Claude Bernard Hospital and Paris Diderot University, **France**
3. **Doherty Meg**, Coordinator of Treatment and Care, Department of HIV/AIDS at the World Health Organization (WHO), **Switzerland**

	<b>Presentations</b>	<b>Speakers</b>
1.	Treatment for All: Review of Acute Topics and Success Stories	<b>Doherty Meg</b> , Coordinator of Treatment and Care in the Department of HIV/AIDS, WHO, <b>Switzerland</b>
2.	Standards of Treatment of HIV Infection in Europe: Treat All?	<b>Vella Stefano</b> , Head, Department of Therapeutic Research and Evaluation, National Institute of Health (ISS), <b>Italy</b>
3.	START Research Findings	<b>Murray Daniel</b> , Postdoctoral Researcher, Centre of Excellence for Health, Immunity and Infections, Rigshospitalet, <b>Denmark</b>
4.	Moving Beyond 90-90-90	<b>De Bree Godelieve</b> , Consultant Internal Medicine, Amsterdam Institute of Global Health and Development, coordinating the recently initiated HIV Transmission Elimination Amsterdam (H-TEAM), <b>Netherlands</b>
5.	ART Treatment: Structural Barriers Preventing 90% ART Coverage	<b>Granich Reuben</b> , Independent Consultant, PEPFAR Office of the Global AIDS Coordinator, <b>USA</b>

## Parallel Session 23: **Enhancing Adherence to HIV Treatment**

### Co-Chairs:

- |    |   |
|----|---|
| 1. | <b>Pastoors Alexander</b> , Special Representative of HIV Vereniging for AIDS 2018, Board Member of ICASO, <b>Netherlands</b>     |
| 2. | <b>Belyaeva Valentina</b> , Senior Research Associate, Central Research Institute of Epidemiology, Rospotrebnadzor, <b>Russia</b> |
| 3. | EECA expert   |

	<b>Presentations</b>	<b>Speakers</b>
1.	Specific Model of Care: Patient Oriented Approach	<b>Macdonald Virginia</b> , Representative, WHO, <b>Switzerland</b>
2.	Commitment to Health of HIV Positive Patients: Reflections on ARVT	<b>Belyaeva Valentina</b> , Senior Research Associate, Central Research Institute of Epidemiology, Rospotrebnadzor, <b>Russia</b>
3.	Influence of Psychological Consultations on the Formation of Primary Adherence to Dispensary Supervision	<b>Lesnevsky Alexander</b> , Medical Psychologist, Sverdlovsk Regional Center for AIDS Prevention and Control, <b>Russia</b>
4.	Adherence to Treatment	<b>Pastoors Alexander</b> , Special Representative of HIV Vereniging for AIDS 2018 and Board Member of ICASO, <b>Netherlands</b>
5.	“Friendly Negligence” and Other Problems: Barriers to Antiretroviral Therapy Adherence Among HIV-positive People who Inject Drugs in Kazakhstan	<b>Terlikbayeva Assel</b> , Center for Global Health Research in Central Asia, <b>Kazakhstan</b>

**Parallel Session 38: Women and Children: HIV-related Programmes**

**Co-Chairs:**

- |    |   |
|----|---|
| 1. | <b>Van Leeuwen Elisabeth</b> , Head, Department of Obstetrics, Academic Medical Center, <b>Netherlands</b>  |
| 2. | UNICEF expert   |
| 3. | <b>Yastrebova Elena</b> , Professor, Department of Socially Significant Infection, First Pavlov State Medical University of St. Petersburg, <b>Russia</b> |

	<b>Presentations</b>	<b>Speakers</b>
1.	Treatment of HIV in Pregnancy to Prevent Mother to Child Transmission (MTCT): the Dutch Approach	<b>Van Leeuwen Elisabeth</b> , Head, Department of Obstetrics, Academic Medical Center, <b>Netherlands</b>
2.	Analysis of ARVT Used for Pregnant Women in Azerbaijan	<b>Valieva Samira</b> , Physician, Republican AIDS Center, <b>Azerbaijan</b>
3.	Preventing Mother-to-Child Transmission of HIV in Tajikistan	<b>Madzhitova Tatiana</b> , Physician, Republican AIDS Center, <b>Tajikistan</b>
4.	Multiprofessional Team as an Approach to Reduce the Risk of Mother-to-Child Transmission of HIV	<b>Degtyareva Liliya</b> , Head, Center for HIV-infection and Infectious Diseases, Magnotogorsk City Hospital # 1, <b>Russia</b>
5.	Antiretroviral Therapy for HIV-positive Children: Successes and Difficulties	<b>Yastrebova Elena</b> , Professor, Department of Socially Significant Infection, First Pavlov State Medical University of St. Petersburg, <b>Russia</b>
6.	The use of an expanded scheme to prevent perinatal HIV transmission at high viral during the 3rd trimester	<b>Samarina Anna</b> , Head, Maternity and Childhood Department, St. Petersburg AIDS Center, <b>Russia</b>

**Parallel Session 17: Age-related and Gender Aspects of HIV Infection**

**Co-Chairs:**

1.	<b>Reiss Peter</b> , Professor of Medicine, Academic Medical Center (AMC), University of Amsterdam, Co-Chair of the AIDS 2018 conference, <b>Netherlands</b>	
2.	Russian expert	
3.	Representative from EECA	
	<b>Presentations</b>	<b>Speakers</b>
1.	Ageing and HIV Infection	<b>Kravchenko Alexey</b> , Leading Researcher, Federal Research Centre for AIDS Prevention and Treatment, <b>Russia</b>
2.	Complications of HIV and ARV Treatment (including ageing aspect)	<b>Reiss Peter</b> , Professor of Medicine, Academic Medical Center (AMC), University of Amsterdam, Co-Chair of the AIDS 2018 conference, <b>Netherlands</b>
3.	T-cell Subsets Associated with Mortality in HIV+ and HIV- Veterans	<b>Koethe John</b> , Assistant Professor of Medicine, Vanderbilt University Medical Center, <b>USA</b>
4.	Intrasystemic Connections Between Certain Hormones During HIV infection	<b>Begisheva R.R.</b> , Researcher, Republican Scientific Center of Immunology, <b>Uzbekistan</b>
5.	Results of HIV-positive women survey in the CIS countries: attitude towards ART and evaluation of its effectiveness	<b>Belyaeva Valentina</b> , Senior Research Associate, Central Research Institute of Epidemiology, Rospotrebnadzor, <b>Russia</b>  <b>Kozyrina Nadezhda</b> , Research Associate, Central Research Institute of Epidemiology, Rospotrebnadzor, <b>Russia</b>

**Parallel Session 22: HIV Infection and Somatic Pathology**

**Co-Chairs:**

1.	<b>Vella Stefano</b> , Head, Department of Therapeutic Research and Evaluation, National Institute of Health (ISS), <b>Italy</b>	
2.	<b>Mamedov Murad</b> , Deputy Director General, National Center of Oncology, <b>Azerbaijan</b>	
3.	<b>Gusev Denis</b> , Chief Physician, St. Petersburg State Medical Center for the Prevention and Control of AIDS and Infectious Diseases, <b>Russia</b>	
	<b>Presentations</b>	<b>Speakers</b>
1.	Cardiovascular Diseases and HIV Infection	<b>Kanestri Veronika</b> , Senior Researcher, Central Research Institute of Epidemiology, <b>Russia</b>
2.	Malignant Neoplasms in HIV-positive Patients. Clinician's Overview	<b>Nekrasova Anastasia</b> , Oncologist, Gorbacheva Research Institute of Pediatric Oncology, Hematology and Transplantation, <b>Russia</b>
3.	Effect of Antiretroviral therapy on Insulin resistance and cardio-metabolic risk markers in HIV infected individuals	<b>Gupta Pulin Kumar</b> , Associate Professor, Head, HIV/ART Centre PGIMR, Dr. Ram Manohar Lohia Hospital, <b>India</b>
4.	Metabolic Disorders During ARVT and Nutritional Correction	<b>Shegai Marina</b> , Head, Research Department, Center of Molecular Medicine, People's Friendship University, <b>Russia</b>
5.	Clinical and Immunological Interrelations and Treatment of Patients with Schizophrenia Infected with HIV	<b>Polyansky Dmitriy</b> , Leading Researcher, Serbsky State Scientific Medical Center of Psychiatry and Narcology, <b>Russia</b>

## Parallel Session 26: **HIV and Tuberculosis**

### Co-Chairs:

1. **Dara Masoud**, Coordinator, Communicable Diseases Programme Manager, Joint Tuberculosis, HIV/AIDS & Hepatitis (JTH) Programme, WHO Regional Office for Europe, **Denmark**
2. **Vasilyeva Irina**, Senior External Expert of the Ministry of Health on TB, **Russia**
3. Representative from the EECA

	<b>Presentations</b>	<b>Speakers</b>
1.	Strategies of the World Health Organization to Overcome MDR-TB in the EECA Region	<b>Dara Masoud</b> , Coordinator, Communicable Diseases Programme Manager, Joint Tuberculosis, HIV/AIDS & Hepatitis (JTH) Programme, WHO Regional Office for Europe, <b>Denmark</b>
2.	TB and HIV Infection in the Russian Federation	<b>Vasilyeva Irina</b> , Senior External Expert of the Ministry of Health on TB, <b>Russia</b>
3.	Bridge HIV with TB	<b>Van Leth Frank</b> , Senior Epidemiologist , Amsterdam Institute for Global Health and Development, <b>Netherlands</b>
4.	Intersectoral Collaboration to Trace and Guide Patients with HIV/TB	<b>Panteleev Alexander</b> , Professor, Department of Socially Significant Infections, First Pavlov State Medical University of St. Petersburg, <b>Russia</b>
5.	Access of Migrants to Early Tracing, Diagnosis, Prevention and Treatment of TB, Including Co-infected with HIV	<b>Demikhova Olga</b> , Deputy Director for Research, Central Research Institute of TB, <b>Russia</b> <b>Nechayeva Olga</b> , Head, Federal Centre of TB Monitoring, <b>Russia</b>

## Parallel Session 7: HIV and Viral Hepatitis

### Co-Chairs:

1.	<b>Hirschall Gottfried</b> , Director, Department of HIV and Global Hepatitis Programme, WHO, <b>Switzerland</b>	
2.	<b>Rockstroh Jürgen</b> , Head, HIV Outpatient Clinic, University of Bonn, <b>Germany</b>	
3.	<b>Mirhamuddin Kamolzoda</b> , Deputy Minister of Health and Social Protection, Chief Sanitary Inspector, <b>Tajikistan</b>	
	<b>Presentations</b>	<b>Speakers</b>
1.	Title TBD	<b>Hirschall Gottfried</b> , Director, Department of HIV and Global Hepatitis Programme, WHO, <b>Switzerland</b>
2.	EACS Guidelines for the Treatment of Viral Hepatitis in HIV-positive Patients	<b>Rockstroh Jürgen</b> , Head, HIV Outpatient Clinic, University of Bonn, <b>Germany</b>
3.	Prevalence of Viral Hepatitis in the Russian Federation (including HIV+ co-infection, comparison with other countries)	<b>Chulanov Vladimir</b> , Head, Rospotrebnadzor Reference Centre for Viral Hepatitis, <b>Russia</b>
4.	Elimination of Viral Hepatitis C: Georgian Experience	Representative of Georgia
5.	The Hepatitis C Treatment Among HIV Infected Patients in Russia	<b>Kravchenko Alexey</b> , Leading Researcher, Federal Research Centre for AIDS Prevention and Treatment, <b>Russia</b>

## Parallel Session 21: **The Laboratory Diagnosis of HIV and Comorbidities – Recent Advances**

### Co-Chairs:

1. **Shipulin German**, Head, Department of Molecular Diagnostics and Epidemiology at Rospotrebnadzor Central Research Institute of Epidemiology, **Russia**
2. **Asatryan Anaida**, Head, Reference Laboratory of the Republican AIDS Center, **Armenia**
3. **Bertagnolio Silvia**, Head, ARV Resistance Research Department, WHO Headquarters / **Michael Jordan**, WHO

	<b>Presentations</b>	<b>Speakers</b>
1.	Recommendations on ARV Resistance Before Starting Treatment	<b>Bertagnolio Silvia</b> , Head, ARV Resistance Research Department, WHO Headquarters / <b>Michael Jordan</b> , WHO
2.	Acquired HIV Drug Resistance: New Drugs, Minor Variants and Virus Subtypes	<b>Sönnerborg Anders</b> , Professor, Senior Consultant, Karolinska Institutet, Karolinska University Hospital, <b>Sweden</b>
3.	Prevalence of HIV Drug Resistance in Different Patient Groups in the EECA Countries	<b>Kireev Dmitriy</b> , Head, New HIV and Viral Hepatitis Diagnostic Methods Group, Central Research Institute of Epidemiology of Rospotrebnadzor, <b>Russia</b>
4.	Early Warning Indicators of HIV Drug Resistance in Eastern Europe and Central Asia	<b>Ladnaya Natalia</b> , Senior Researcher, Federal Scientific and Methodological Center for AIDS Prevention and Control, <b>Russia</b>
5.	Diagnosis of Recent HIV Infections	<b>Zohrabyan Lev</b> , Strategic Information Advisor, UNAIDS

## Prevention

### Parallel Session 43: **Prevention of Perinatal HIV Transmission and Future Prospects to Achieve the Elimination of Vertical Transmission**

#### Co-Chairs:

1.	Representative of the Ministry of Health, Belarus	
2.	<b>Grigoryan Samvel</b> , Director, Republican AIDS Center, <b>Armenia</b>	
3.	<b>Latysheva Inga</b> , Deputy Chief Physician for Organizational and Methodological Work, Republican Clinical Infectious Diseases Hospital, <b>Russia</b>	
4.	WHO representative	
	<b>Presentations</b>	<b>Speakers</b>
1.	Achieving the Elimination of Vertical Transmission of HIV in EECA: Key Challenges	<b>Semenchenko Marina</b> , Counselor, UNAIDS
2.	Belarus Experience in Eliminating Mother-to-Child Transmission of HIV	Representative of the Ministry of Health, Belarus
3.	Armenia's Experience in Eliminating Mother-to-Child Transmission of HIV	<b>Arzakanyan Vardan</b> , Head, Group Coordinating the Activities to Preserve the MTCT Elimination Status, Republican AIDS Center, <b>Armenia</b>
4.	Topical issues in PMTCT in the Russian Federation	<b>Latysheva Inga</b> , Deputy Chief Physician for Organizational and Methodological Work, Republican Clinical Infectious Diseases Hospital, <b>Russia</b>

Parallel Session 6: <b>Biobehavioral Studies Among Key Populations</b>		
Co-Chairs:		
1.	<b>Mirandola Massimo</b> , Professor, Infectious Diseases Section, Department of Diagnostics and Public Health University of Verona, <b>Italy</b>	
2.	<b>Ladnaya Natalia</b> , Senior Researcher, Federal Scientific and Methodological Center for AIDS Prevention and Control, <b>Russia</b>	
3.	EECA Representative	
	Presentations	Speakers
1.	New Milestones and Achievements in HIV Behavioral and Social Studies Among People Who Use Drugs	<b>Cooper Hannah</b> , Vice Chair, Department of Behavioral Sciences and Health Education, Rollins School of Public Health at Emory University, <b>USA</b>
2.	Integrated HIV Bio-behavioral Studies Among MSM in 13 EU Cities: Methodology, Prevalence, Problems in Diagnostics and Monitoring	<b>Mirandola Massimo</b> , Professor, Infectious Diseases Section, Department of Diagnostics and Public Health University of Verona, <b>Italy</b>
3.	Findings of Bio-behavioral Studies Among IDUs, SWs and MSM in the Russian Federation	<b>Plavinsky Svyatoslav</b> , Professor, Mechnikov North-Western State Medical University, <b>Russia</b>
4.	Educational and Behavior Changes Among IDUs: Comparative Analysis Based on the Results of Sentinel Epidemiological Surveillance	<b>Zulfugarov Natig</b> , Head of the Monitoring and Evaluation Department, Republican AIDS Center, <b>Azerbaijan</b>
5.	Epidemiological Analysis of Transmission Modes of HIV Among Transgender People in Russia	<b>Bugrovskaya Elena</b> , Chair, Gender Dynamics Research, <b>Russia</b>
6.	Prevalence of HIV Among IDUs and MSM in Kyrgyzstan	<b>Asybaliyeva Nazgul</b> , Head, Epidemiological Department, Republican AIDS Center, <b>Kyrgyzstan</b>

**Parallel Session 32: Socioeconomic Aspects of HIV Treatment and Prevention**

**Co-Chairs:**

1.	<b>Pokrovsky Vadim</b> , Head, Federal Scientific and Methodological Center for AIDS Prevention and Control, <b>Russia</b>
2.	<b>Amato-Gauci Andrew</b> , Head, HIV, STIs and Viral Hepatitis Programme, European Centre for Disease Prevention and Control, <b>Sweden</b>
3.	Representative of the EECA Region

	<b>Presentations</b>	<b>Speakers</b>
1.	HIV Infection and Demography	<b>Pokrovsky Vadim</b> , Head, Federal Scientific and Methodological Center for AIDS Prevention and Control, <b>Russia</b>
2.	Macroeconomic and Social Aspects of HIV Infection in the Russian Federation	<b>Popovich Larissa</b> , Director, Institute of Health Economics, Higher School of Economics, <b>Russia</b>
3.	Expenses to Increase HIV Treatment Coverage, Reaching the 90-90-90 Targets and Investments into Public Health	<b>Kulikov Andrey</b> , Professor, Department of Drug Provision and Pharmaeconomics, First Pavlov State Medical University of St. Petersburg, <b>Russia</b>
4.	Gender Violence, Poverty and Risk of Acquiring HIV for People involved in Sex Business: Cross-National Analysis of Political Economy of Sex Markets in Countries of Europe and Central Asia	<b>Amato-Gauci Andrew</b> , Head, HIV, STIs and Viral Hepatitis Programme, European Centre for Disease Prevention and Control, <b>Sweden</b>
5.		

**Parallel Session 44: Fundamental and Biomedical Research**

**Co-Chairs:**

1. **Uryvaev Leonid**, Deputy Director, Gamaleya Scientific Research Institute of Epidemiology and Microbiology, **Russia**

2. **Zverev Vitaly**, Director, Mechnikov Scientific Research Institute of Vaccines and Serums, **Russia**

3. **Musabaev Erkin**, Director, Research Institute of Virology, **Uzbekistan**

**Presentations**

**Speakers**

1. Induction of broad-spectrum neutralizing antibodies against HIV-1 by means of vaccination  
**Vzorov Andrey**, Leading Researcher, Gamaleya National Research Center for Epidemiology and Microbiology, **Russia**

2. Mechanisms that Contribute to the Establishment and Maintenance of HIV Latency  
**Henderson Andrew**, Associate Professor and Assistant Dean, Boston University School of Medicine, **USA**

3. Cell and Gene Therapy for HIV Cure  
**Jerome Keith**, Professor and Head, Virology Division, Department of Laboratory Medicine, University of Washington, **USA**

4. Expert from Russia

5.

## Side Events

Round Table: <b>Further Training of Health Workers on HIV Issues</b>		
Co-Chairs:		
1.	<b>Yuschuk Nikolay</b> , President, Moscow State University of Medicine and Dentistry, Head, Department of Infectious Diseases and Epidemiology, <b>Russia</b>	
2.	<b>Lioznov Dmitry</b> , Head, Department of Infectious Diseases and Epidemiology, First Pavlov State Medical University of St. Petersburg, <b>Russia</b>	
3.		
4.		
	<b>Presentations</b>	<b>Speakers</b>
1.	Knowledge About HIV/AIDS Among Medical Students and Health Care Workers	<b>Lioznov Dmitry</b> , Head, Department of Infectious Diseases and Epidemiology, First Pavlov State Medical University of St. Petersburg, <b>Russia</b>
2.	Psychological and Pedagogical innovations in Teaching Primary HIV Prevention in Moscow State University of Medicine and Dentistry	<b>Zorin Constantin</b> , Assistant Professor, Moscow State University of Medicine and Dentistry, <b>Russia</b>
3.	Actions to Reduce the Risk of HIV Transmission in Dental Practice	<b>Budnyak Marina</b> , Senior lecturer, UNESCO Chair, Moscow State University of Medicine and Dentistry, <b>Russia</b>
	<b>Discussion</b>	

## Round Table: **Issues of TB Care for HIV-positive Patients (Part 1)**

### Co-Chairs:

1. **Parpieva Nargiza**, Director, Republican Phthisiology and Pulmonology Centre, **Uzbekistan**
2. **Tyurin Igor**, Head, Department of Radiation Diagnostics, Radiation Therapy and Medical Physics, Russian Medical Academy of Continuous Professional Training, **Russia**
3. **Frolova Olga**, Head, Center of TB Support for HIV-positive Patients, **Russia**

	<b>Presentations</b>	<b>Speakers</b>
1.	Considerations of Morphological Pattern of Tuberculosis and Mycobacteriosis Caused by Mycobacterium Avium Complex (MAC) in the Late Stages of HIV infection	<b>Mikhailovsky Alexey</b> , Orenburg TB Dispensary, <b>Russia</b>
2.	Features of CT-Semiotics of Respiratory Tuberculosis in HIV-positive Children	<b>Ilyina Natalia</b> , Associate Professor, Department of Radiation Diagnostics, Mechnikov North-Western State Medical University, <b>Russia</b>
3.	Radiological Diagnostics of Nontuberculous Mycobacterial Infection in HIV-positive Patients	<b>Akishina Yu.</b> , Moscow Research Center for TB, <b>Russia</b>
4.	The Value of Computed Tomography in the Radiological Diagnosis of Changes in the Lung of HIV-infected Patients	<b>Tyurin Igor</b> , Head, Department of Radiation Diagnostics, Radiation Therapy and Medical Physics, Russian Medical Academy of Continuous Professional Training, <b>Russia</b>
5.	Effectiveness of TB Photofluorography Screening in HIV-infected Patients with Different Immunity Status	<b>Masterova I.</b> , St. Petersburg Research Institute of Phthisiopulmonology, <b>Russia</b>

## Round Table: **Issues of TB Care for HIV-positive Patients (Part 2)**

### Co-Chairs:

1. **Parpieva Nargiza**, Director, Republican Phthisiology and Pulmonology Centre, **Uzbekistan**
2. **Tyurin Igor**, Head, Department of Radiation Diagnostics, Radiation Therapy and Medical Physics, Russian Medical Academy of Continuous Professional Training, **Russia**
3. **Frolova Olga**, Head, Center of TB Support for HIV-positive Patients, **Russia**

	<b>Presentations</b>	<b>Speakers</b>
1.	Prevention Therapy with Isoniazidum Among Inmates with HIV in Azerbaijani Prisons	<b>Mamedov Eldzhan</b> , Medical Department, Ministry of Justice, <b>Azerbaijan</b>
2.	Approaches to Tuberculosis Prevention in HIV-infected Patients in Prisons	<b>Ilyin Vyacheslav</b> , Head, Department for the Organization of Treatment and Prevention, Health Care Unit No. 22 of the Federal Penitentiary Service, <b>Russia</b>
3.	Laboratory Methods to Detect Mycobacterial Infection in Patients with HIV	<b>Popov Sergey</b> , Head, Laboratory of Microbiology, Research Institute of Phthisiopulmonology, First Moscow State Medical University, <b>Russia</b>
4.	Tuberculosis of the Genitourinary System in Patients with HIV. What's New?	<b>Chotchaev Radmir</b> , Moscow Scientific and Practical Center for TB Prevention, <b>Russia</b>
5.	Clinical Case of Late-stage Neurosyphilis in Patient with Tuberculosis	<b>Loseva Olga</b> Institute of Medical and Social Technologies, Moscow State University of Food Production, <b>Russia</b>
6.	Issues to be Addressed to Improve TB Care for HIV-positive People	<b>Frolova Olga</b> , Head, Center of TB Support for HIV-positive Patients, <b>Russia</b>

**Round Table: Quality Assurance for HIV Testing Conducted in Laboratories**

**Co-Chairs:**

1.	<b>Yeremin Vladimir</b> , Head, Laboratory for Diagnosis of HIV and Associated Infections, Republican Scientific and Practical Center for Epidemiology and Microbiology, <b>Belarus</b>	
2.		
3.		
	<b>Presentations</b>	<b>Speakers</b>
1.	Quality Control in Studies of HIV Drug Resistance at Rospotrebnadzor Central Research Institute of Epidemiology	<b>Kireev Dmitriy</b> , Head, New HIV and Viral Hepatitis Diagnostic Methods Group, Central Research Institute of Epidemiology of Rospotrebnadzor, <b>Russia</b>
2.		<b>Malakhov V.</b> , Director, Association of Specialists of the non-commercial partnership "Center for External Quality Control of Clinical Laboratory Research", <b>Russia</b>
3.	Internal audit in the laboratory of a multipurpose hospital unit	<b>Zenina Larissa</b> , Quality Control Specialist, Sklifosovsky Scientific Research Institute of Emergency Care, <b>Russia</b>
4.		
5.		

## Special Events Programme

### Symposia Session

#### Symposium: **Substance Use, HIV Infection and Assistance for People Using Drugs**

##### Part 1: **Substance Use and Support for HIV-positive People Using Drugs**

###### Moderators:

- |    |  |
|----|--|
| 1. | <b>Klimenko Tatiana</b> , Director, Research Institute of Narcology – branch of Serbsky State Scientific Medical Center of Psychiatry and Narcology, <b>Russia</b> |
| 2. | <b>Lewis Stephen</b> , Chair, Stephen Lewis Foundation, <b>Canada</b>  |

###### Co-Chairs:

- |    |  |
|----|--|
| 1. | <b>Woody George</b> , Professor, Department of Psychiatry, University of Pennsylvania, <b>USA</b>  |
| 2. | <b>Kozlov Alexander</b> , Deputy Director General for Research, Serbsky State Scientific Medical Center of Psychiatry and Narcology, <b>Russia</b>               |
| 3. | <b>Krupitsky Evgeny</b> , Chief Narcologist of the Leningrad Oblast, Head, Narcology Department, Bekhterev Psycho-Neurological Research Institute, <b>Russia</b> |

	Presentations	Speakers
1.	Stages of Narcological Assistance Against the Backdrop of the HIV Epidemic in the Russian Federation	<b>Klimenko Tatiana</b> , Director, Research Institute of Narcology – branch of Serbsky State Scientific Medical Center of Psychiatry and Narcology, <b>Russia</b>
2.	Current Opioid Epidemic in the U.S: Deaths Rates, Responses, HIV Prevention and Criminal Justice	<b>Woody George</b> , Professor, Department of Psychiatry, University of Pennsylvania, <b>USA</b>
3.	Prevention, Treatment and Care Related to HIV and Substance Use	<b>Kosmukhamedova Zhannat</b> , Head, UNODC Regional Programme Office for Eastern Europe, Regional Programme Officer (HIV Prevention and Care)
4.	Medical and Social Characteristics of HIV-positive and HIV-negative Patients with Opioid Addiction	<b>Igumnov Sergey</b> , Professor, Department of Social Work and Rehabilitation, State Institute of Management and Social Technologies at the Belarusian State University, <b>Belarus</b>

**Symposium: Substance Use, HIV Infection and Assistance for People Using Drugs**  
**Part 2: Modern Approaches to Keeping HIV-positive People Using Drugs in Health Care**

	<b>Presentations</b>	<b>Speakers</b>
1.	Ideas about the Disease of HIV-positive Drug Users	<b>Buzina Tatiana</b> , Senior Researcher, Department for the Prevention of Socially Significant Infections, National Narcology institute, Serbsky State Scientific Center for Psychiatry and Narcology, <b>Russia</b>
2.	Retention of People Who Use Drugs in Treatment: New Approaches	<b>Mendelevich Vladimir</b> , Head, Department of Medical Psychology, Kazan State Medical University, <b>Russia</b>
3.	Organizational Basis to Enhance Patient Adherence to HIV treatment in Drug Rehabilitation Programmes	<b>Degtyarev Alexander</b> , Head, Department of Socio-Psychological Rehabilitation and Prevention, Center for Prevention and Control of HIV and Other Infectious Diseases, <b>Russia</b>
4.	Efficacy of Implantable Prolonganaltrexone To Enhance Adherence to Antiretroviral Therapy in HIV-positive Patients with Opioid Dependence	<b>Krupitsky Evgeny</b> , Chief Narcologist of the Leningrad Oblast, Head, Narcology Department, Bekhterev Psycho-Neurological Research Institute, <b>Russia</b>

**Symposium: Substance Use, HIV Infection and Assistance for People Using Drugs**

**Part 3: Effective Strategies to Prevent HIV Spread Among IDUs**

**Co-Chairs:**

- |    |   |
|----|---|
| 1. | <b>Konorazov Ivan</b> , Chief Narcologist, Ministry of Health, <b>Belarus</b>                           |
| 2. | <b>Tumenova Bakhyt</b> , President, "Aman-saulik" social fund, <b>Kazakhstan</b>                        |
| 3. | <b>Yatsko Alla</b> , President, Union for HIV/AIDS Prevention and Harm Reduction (UORN), <b>Moldova</b> |

	<b>Presentations</b>	<b>Speakers</b>
1.	Organizational (Medical and Social) Approaches to HIV Prevention in Opioid Substitution Therapy Programmes	<b>Konorazov Ivan</b> , Chief Narcologist, Ministry of Health, <b>Belarus</b>
2.	Integrating Harm Reduction Services into the National Healthcare System	<b>Tumenova Bakhyt</b> , President, "Aman-saulik" social fund, <b>Kazakhstan</b>
3.	Women Who Use Drugs: Access to Harm Reduction Services, Barriers and Needs	<b>Khatiashvili Temur</b> , GeNPUD, <b>Georgia</b>
4.	The Role of IDUs Community in the Implementation of Harm Reduction Programmes in Tajikistan	<b>Yatsko Alla</b> , President, Union for HIV/AIDS Prevention and Harm Reduction (UORN), <b>Moldova</b>
5.	Results of Advocacy to Finance Harm Reduction Programmes from the Prepaid Medical Care Plan in Moldova	<b>Serebryakova Lela</b> , Budgetary advocacy specialist, EHRA Secretariat, <b>Georgia</b>
6.	Pumping Up Harm Reduction Budget: Best Practices	<b>Ibrahimova Oksana</b> , Advocacy Specialist, Kazakhstan Union of People Living with HIV, <b>Kazakhstan</b>

**Symposium: Substance Use, HIV Infection and Assistance for People Using Drugs**

**Part 4: Overcoming Legal Barriers as Measure of Controlling HIV**

**Co-Chairs:**

1.	<b>Štuikytė Raminta</b> , First Executive Director, Eurasian Harm Reduction Network Secretariat, <b>Lithuania</b>
2.	Russian MOH representative
3.	<b>Kosmukhamedova Zhannat</b> , Head, UNODC Regional Programme Office for Eastern Europe, Regional Programme Officer (HIV Prevention and Care)
4.	<b>Varentsov Ivan</b> , Specialist, Andrey Rylkov Foundation, <b>Russia</b>

	<b>Presentations</b>	<b>Speakers</b>
1.	Effects of Drug Policy on the HIV Epidemic in the EECA Region. Best Practices to Reform Legislation	<b>Kurmanayevsky Alexey</b> , DUNews, <b>Russia</b>
2.	Changing Drug Legislation: Georgia Chronicle	<b>Subeliani D.</b> , Consultant, WNM, <b>Georgia</b>
3.	Community Efforts to Protect Rights as an Instrument to Control the Epidemic. Street Lawyers of the EECA Region	<b>Vince Lyudmila</b> , Program Coordinator, Luna Social Assistance Center, <b>Russia</b>
4.	The Use of Alternatives to Punishment for Minor Violations of Drug Legislation in the Russian Federation	<b>Navlyutov Farhad</b> , Head, Almetievsk Branch of Timur Islamov Foundation, <b>Russia</b>
5.	Access to Opioid Substitution Therapy as Part of the Right to Health. The Experience of the European Court of Human Rights	<b>Golichenko Mikhail</b> , Canadian Legal Network, <b>Canada</b>

## Special Program of EECAAC 2018

### HIV: Children, Adolescents and Youth

Parallel Session 14: <b>HIV Infection in Children and Adolescents</b>		
Co-Chairs:		
1.	<b>Malyuta Ruslan</b> , HIV/AIDS Specialist, UNICEF CEE/CIS	
2.	<b>Mardarescu Mariana</b> , Consultant in Infectious Diseases, Head, Pediatric and Adolescents Immunodepression Department, National Institute for Infectious Diseases Prof. Dr. Matei Bals, <b>Romania</b>	
3.	<b>Lobzin Yuri</b> , Chief External Expert in Infectious Diseases in Children, Ministry of Health. Director, Children's Scientific and Clinical Center of Infectious Diseases, Federal Medical and Biological Agency, <b>Russia</b>	
4.	<b>Afonina Larissa</b> , Leading Specialist, Scientific and Practical Center for HIV Prevention and Treatment in Pregnant Women and Children, Associate Professor of the Department of Infectious Diseases at Mechnikov North-Western State Medical University, <b>Russia</b>	
	Presentations	Speakers
1.	Children and HIV: Global Overview	<b>Malyuta Ruslan</b> , HIV/AIDS Specialist, UNICEF CEE/CIS
2.	Results of Long-term Follow-up of Children with HIV	<b>Mardarescu Mariana</b> , Consultant in Infectious Diseases, Head, Pediatric and Adolescents Immunodepression Department, National Institute for Infectious Diseases Prof. Dr. Matei Bals, <b>Romania</b>
3.	Treating Children with HIV in Belarus	<b>Klyuchareva Anna</b> , Head, Department of Infectious Diseases and Children's Infections, Belarusian Medical Academy of Postgraduate Education, <b>Belarus</b>
4.	Treating HIV Infection in Children	<b>Afonina Larissa</b> , Leading Specialist, Scientific and Practical Center for HIV Prevention and Treatment in Pregnant Women and Children, Associate Professor of the Department of Infectious Diseases at Mechnikov North-Western State Medical University, <b>Russia</b>
5.	Eliminating Parenterally Transmitted Hepatitis in Children: Successes and Challenges	<b>Goryacheva Larissa</b> , Head, Department of Viral Hepatitis and Hepatopathy, Children's Scientific and Clinical Center of Infectious Diseases, <b>Russia</b>
6.	Adherence in Adolescents: Problems and Solutions	<b>Okhonskaya Lyubov</b> , Head, Treatment Department. Leading Specialist on Adolescents, Republican Clinical Infectious Diseases Hospital, St. Petersburg, <b>Russia</b>

**Parallel Session 15: From an HIV-positive Adolescent to an Active Young Person**

**Co-Chairs:**

- |    |   |
|----|---|
| 1. | <b>Voronin Evgeniy</b> , Chief Physician, Republican Clinical Infectious Diseases Hospital, <b>Russia</b>       |
| 2. | Representative of the Government of Moldova   |
| 3. | <b>Ferenchich Nina</b> , Regional Adviser for HIV and Adolescent Development and Participation, CEE/CIS, UNICEF |
| 4. | <b>Abdool Karim Quarraisha</b> , UNAIDS Special Ambassador for Adolescents and HIV, <b>South Africa</b>         |

	<b>Presentations</b>	<b>Speakers</b>
1.	Youth's Access to HIV Testing in Russia, Ukraine and Georgia	<b>Valchuk Yana</b> , Teenergizer Eurasian Union of Adolescents and Youth, <b>Ukraine</b>
2.	HIV Disclosure by Adolescents: Support Groups and Peer Counseling in the EECA Region	<b>Panfilova Olga</b> , Psychotherapist, Teenergizer Eurasian Union of Adolescents and Youth, <b>Ukraine</b>
3.	Creating Conditions for Social Adaptation of Orphaned Children with HIV in Foster Homes, Overcoming Stigma and Discrimination	<b>Ushakova Marina</b> , Director, Akvarel Ophanage, <b>Russia</b>
4.	Working with HIV-positive Adolescents and Their Parents/Substitute Parents to Enhance Adherence to Treatment	<b>Zolotova Veronica</b> , Psychologist, Deti Plus Foundation, <b>Russia</b>
5.	Representation of Adolescents' Interests at National Level: Best Practices and Results	<b>Stolbunov Daniil</b> , Teenergizer Eurasian Union of Adolescents and Youth, <b>Ukraine</b>

## Parallel Session 20: HIV Prevention Among Adolescents and Youth (Part 1)

### Moderated Discussion

#### Co-Chairs:

- |    |   |
|----|---|
| 1. | <b>Castle Christopher</b> , Global Coordinator for HIV and AIDS, UNESCO   |
| 2. | <b>Panfilova Yana</b> , President, Teenergizer Eurasian Union of Adolescents and Youth, <b>Ukraine</b>  |
| 3. | <b>Falkovskaya Larissa</b> , Deputy Director, Department for State Policy in Children's Rights Protection, Ministry of Education and Science, <b>Russia</b> |

	<b>Presentations</b>	<b>Speakers</b>
1.	The Role and Capabilities of Educational Establishments in HIV Response. Examples of Effective Solutions	<b>Castle Christopher</b> , Global Coordinator for HIV and AIDS, UNESCO, <b>USA</b>
2.	Effective HIV Prevention and Learning Programmes in Out-of-School Education: Review of Scientific Data	<b>Zhukov Ilya</b> , Adviser, HIV and Young Populations, UNFPA, <b>USA</b>

#### Panelists:

- |    |  |
|----|--|
| 1. | <b>Sinh Levy</b> , Youth Representative, South Africa  |
| 2. | <b>Martinez Bruna</b> , Amsterdam Youth Force, <b>Brazil</b>   |
| 3. | <b>Panfilova Yana</b> , President, Teenergizer Eurasian Union of Adolescents and Youth, <b>Ukraine</b> |
| 4. | Representative from Russia   |
|    | Representative from China  |

## Parallel Session 25: HIV Prevention Among Adolescents and Youth (Part 2)

### Co-Chairs:

1. **Shboltas Alla**, Associate Professor, Dean of the Department, Head, Division of Psychology of Behavior and Behavioral Deviations, St. Petersburg State University, **Russia**
2. **Epoyan Tigran**, Regional Advisor on HIV and Health Education for Eastern Europe and Central Asia, UNESCO, **Russia**
3. EECA Expert
4. **Mikheev Igor**, Director, Department of State Policy in the field of Childrearing, Ministry of Education and Science, **Russia**

	<b>Presentations</b>	<b>Speakers</b>
1.	School, Parents and Teenagers. How to Talk About Most Important Things. Joint Technical Assistance Programme Funded by the Government of the Russian Federation and UNESCO.	<b>Epoyan Tigran</b> , Regional Advisor on HIV and Health Education for Eastern Europe and Central Asia, UNESCO, <b>Russia</b>
2.	Primary HIV Prevention Among Children and Youth Implemented by the Russian Orthodox Church	<b>Neljubova Margarita</b> , Officer, Department for External Church Relations, Moscow Patriarchate of the Russian Orthodox Church, <b>Russia</b>
3.	HIV Prevention and Students	<b>Shboltas Alla</b> , Associate Professor, Dean of the Department, Head, Division of Psychology of Behavior and Behavioral Deviations, St. Petersburg State University, <b>Russia</b>
4.	Learning Opportunities and Professional Development (E-learning and Blended Learning in Russian) for Specialists Working with Teenagers and Youth from Risk Groups	<b>Nikonovich Vitaliy</b> , EDU-HUB Manager, Deputy Chairman, Belarusian Association of UNESCO Clubs, <b>Belarus</b>
5.	Speak Up: AIDS - Lessons from The First International Debating Tournament For Students From CIS Countries	<b>Turdaliyev Bakhytzhn</b> , Republican AIDS Center, <b>Kazakhstan</b>

**Parallel Session 30: Best Practices in HIV Prevention Among Adolescents and Youth: Russian Experience**

**Co-Chairs:**

1.	<b>Bugaev Alexander</b> , Head, Federal Agency for Youth Affairs, <b>Russia</b>
2.	<b>Kryukova Alisa</b> , Head, “Rosdetcentre” Federal State Budgetary Institution, <b>Russia</b>
3.	

	<b>Presentations</b>	<b>Speakers</b>
1.	Mapping HIV Prevention in the Russian Federation	<b>Bykadorov Yuri</b> , Head, Youth Projects Department at the Federal Agency for Youth Affairs, <b>Russia</b>
2.	HIV Prevention at the Community Level in the Russian Federation: The Program 15 Technology	<b>Kamaldinov Denis</b> , Head, Humanitarian Project NGO, Novosibirsk, <b>Russia</b>
3.	Training Teachers to Work with Children in Social and Pedagogical isolation (Children living with HIV as an Example)	<b>Melnikova Elena</b> , Head, Vybor Altai Regional Public Health Organization, <b>Russia</b>
4.	Educational Technologies to Form Safer Behavior in the Context of HIV Spread: How to Sop Informing, Start Teaching Risk Assessment and Building Safer Behavior Models	<b>Bulanov Sergey</b> , Director, Center for Advanced Educational Technologies, <b>Russia</b>
5.	Map of Prevention Activities in the Russian Federation	<b>Savchuk Pavel</b> , Volontery Mediki Public Movement , <b>Russia</b>

## Joint sessions of the International Working Group on Research on Competition in the Pharmaceutical Sector

### Parallel Session 34: **Achieving Balance between Public Health Interests and Intellectual Property Protection: Experience And Prospects**

#### Co-Chairs:

1. **Onishchenko Gennadiy**, First Deputy Chairman, Committee for Education and Science, State Duma, **Russia**

2. **Artemyev Igor**, Head of the Federal Antimonopoly Service, **Russia**

3.

#### Presentations

#### Speakers

1. **Ivanov Aleksey**, Director, Institute of Law and Development, Higher School of Economics - Skolkovo, **Russia**

2. Use of the voluntary license mechanism to expand access to medicines **Burrone Esteban**, Head of Policy, Medicines Patent Pool, **Switzerland**

3. Mandatory licensing in Malaysia **Bhardwaj Kajal**, Independent expert, **India**

4. Negotiations with patent holders for reducing prices and increasing the volume of purchased medicines  
Speaker TBD

5. Actual problems of medicine patenting in Russia **Representatives of generic pharmaceutical companies, patent attorneys**

**Parallel Session 39:**

**Moderated Discussion**

**Co-Chairs:**

1.	
2.	
3.	

	<b>Presentations</b>	<b>Speakers</b>
1.		
2.		

**Panelists:**

1.	
2.	
3.	
4.	

## Effective Prevention Track

### Parallel Session 3: **HIV Prevention in Eastern Europe and Central Asia**

#### Co-Chairs:

1.	<b>Almamedova Esmira</b> , Head, Republican AIDS Center, <b>Azerbaijan</b>	
2.	<b>Goliusov Alexander</b> , UNAIDS Country Director, <b>Kazakhstan</b>	
3.	<b>Zhovtyak Vladimir</b> , President, East Europe and Central Asia Union of People Living with HIV (ECUO), <b>Ukraine</b>	
4.	<b>El-Bassel Nabila</b> , Director, Social Intervention Group (SIG), Willma and Albert Musher Professor of Social Work, Columbia University, <b>USA</b>	
	<b>Presentations</b>	<b>Speakers</b>
1.	Overview of HIV Prevention in Eastern Europe	<b>ECUO Representative</b>
2.	Multi-level Evidence Based HIV interventions by GHRCCA in Central Asia: Advances and Challenges	<b>El-Bassel Nabila</b> , Director, Social Intervention Group (SIG), Willma and Albert Musher Professor of Social Work, Columbia University, <b>USA</b>
3.	Collaboration Between NGOs and Governmental Organizations in Azerbaijan: Integration of Prevention	<b>Almamedova Esmira</b> , Head, Republican AIDS Center, <b>Azerbaijan</b>
4.	HIV Prevention in Kyrgyzstan	<b>Kadyrbekov Ulan</b> , Head, Republican AIDS Center, <b>Kyrgyzstan</b>
5.		

## Parallel Session 8: HIV Prevention Among Key Populations

### Co-Chairs:

1. **Zhakovich Anna Maria**, Program Manager, European bureau of AIDS Healthcare Foundation (AHF), **Netherlands**

2. **Pronin Alexander**, Chief Physician, Moscow Oblast AIDS and Infectious Diseases Centre, **Russia**

3. **Atabekov Nurmat**, Head, Republican AIDS Center, **Uzbekistan**

	<b>Presentations</b>	<b>Speakers</b>
1.	Current Approaches to HIV Prevention	WHO/UNAIDS expert
2.	Youth in Key Populations: Modern Approaches to HIV Prevention as Part of a Comprehensive Reproductive Health Care	<b>Zhukov Ilya</b> , Adviser, HIV and Young Populations, UNFPA, <b>USA</b>
3.	HIV Prevention Among Key Groups: Experience in Russia	<b>Zaytseva Elena</b> , Program Director, Open Health Institute, <b>Russia</b>
4.	Involvement of Migrants in HIV, TB and STIs Prevention on Railroads: Innovation and Effectiveness	<b>Rakhimov Ilkhom</b> , Head, Healthcare Department, Red Crescent Society of Tajikistan
5.	Successes and Challenges of Low-threshold Prevention Programmes in Lithuania	<b>Kulshis Svetlana</b> , Head, Demetra Association, <b>Lithuania</b>

**Parallel Session 19: Workplace Interventions to Prevent HIV**

**Co-Chairs:**

- |    |   |
|----|---|
| 1. | <b>Zug-Castillo Brigitte</b> , Senior Advisor to the Branch Chief, HIV/AIDS and the World of Work Branch, ILOAIDS, <b>Switzerland</b> |
| 2. | <b>Korzh Valeriy</b> , Head, Department of Job Safety and Health Protection, Ministry of Labor and Social Protection, <b>Russia</b>   |
| 3. | <b>Expert from the EECA region (Tajikistan)</b> – to be confirmed by ILO  |

	<b>Presentations</b>	<b>Speakers</b>
1.	HIV Prevention at the Workplaces	<b>Ivanova Ekaterina</b> , Focal Point for HIV/AIDS and the World of Work for the Russian Federation, International Labor Organization, <b>Russia</b>
2.	Lessons Learnt From Implementing HIV/AIDS Prevention Programmes at the Workplace in Seversky Pipe Plant	Representative of Seversky Pipe Plant within the Pipe Metallurgical Company, Sverdlovsk Oblast, <b>Russia</b>
3.	HIV/AIDS Prevention Programmes for Large and Small Businesses	<b>Denebayeva Alfiya</b> , Deputy Chief Physician, Republican AIDS Centre, <b>Kazakhstan</b>
4.	The Importance of Involving PLWH into Prevention Programmes at the Workplace	<b>Izambaeva Svetlana</b> , Social Work Specialist, Republican AIDS Centre of Tatarstan, <b>Russia</b>
5.	The Role of Trade Unions in Implementation of HIV/AIDS Programmes at the Workplace	Representative of Trade Unions, Tajikistan - to be confirmed by ILO

## Parallel Session 24: HIV Prevention in the Light of Modern Migration Patterns
